LAFAYETTE MORGAN

The campaign to carry Kentucky 100,000 for Woodrow Wilson will be formally opened at Lexington on September 19th. Elaborate preparations are being made by the democrats there. And State Campaign Chairman Camden will co-operate. Efforts will be made to have a number of national figures present. Chairman Camden is getting down to business, and is going to have the most complete organization ever perfected in a political campaign in Kentucky, if present indications are fulfilled.

The valiant Woodrow Wilson club of Lincoln, which went to Frankfort in the early days of the presidential campaign to pledge him its support when he spoke there, will be at the big ratification meeting in Lexington on September 19th with the bells on.

Dollar funds are being raised all over the country to help elect Woodrow Wilson president. What's the matter with starting one in Lincoln county?

A Kidney Remedy Advertisement Brought Great Happiness

I take pleasure in stating that I have used Dr. Kilmer's Swamp-Root that I was greatly benefited by the same and have used it in my family. I had a son, when quite young he suffered from bladder or kidney affliction. I called in my physician, he attended him but did him no good. Almost by accident I noticed an advertisement about the curative properties of Dr. Kilmer's Swamp-Root. I procured a bottle and gave it to him according to directions. It cured him of what we thought was almost impossible and the same with others of my family. I have such strong faith in Swamp-Root that I have never done without it in my family since the wonderful cure of my son as well as myself. I recommend it to all who suffer from kidney or bladder troubles and I am led to believe that it is one of the best medicines for the purpose for which it is used, that has ever been discovered.

This is my experience from the use of Swamp-Root. Wishing the promoters of this wonderful medicine a large sale to the suffering public, I am Yours respectfully,
W. H. McAFEE,
College Park, Ga.

Witness,
E. O. Williams, Notary Public.

The Palm Theater.

"We are proud to have a theater like this in our town. The owner, Mr. T. F. VanArsdale, has spared no expense in fixing up this property. The building has cost over \$4,000 and is equipped with all the latest improvements, electric fans and opera chairs, and seats 240 people. It is under the management of J. L. Anderson and L. G. Weddle. The theater opened Saturday evening with an overflowing house. The show will continue every night. Mrs. G. C. Clark is pianist and Ralph Wright the operator. J. L. WHERE DOCTORS FAILED TO HELP

Lydia E. Pinkham's Vegetable Compound Restored Mrs. Green's Health—Her Own Statement.

Covington, Mo.—"Your medicine has done me more good than all the doctors' medicines. At every monthly period I had to stay in bed four days because of hemorrhages, and my back was so weak I could hardly walk. I have been taking Lydia E. Pinkham's Vegetable Compound and now I can stay up and do my work. I think it is the best medicine on earth for women."

—Mrs. JENNIE GREEN, Covington, Mo.

How Mrs. Cline Avoided Operation.

Brownsville, Ind.—"I can say that Lydia E. Pinkham's Vegetable Compound has done me more good than anything else. One doctor said I must be operated upon, for a serious female trouble and that nothing could help me but an operation."

"I had hemorrhages and at times could not get any medicine to stop them. I got in such a weak condition that I would have died if I had not got relief soon."

"Several women who had taken your Compound, told me to try it and I did and found it to be the right medicine to build up the system and overcome female troubles."

"I am now in great deal better health than I ever expected to be, so I think I ought to thank you for it."—Mrs. O. M. CLINE, S. Main St., Brownsville, Ind.
